IN MEMORY

In loving remembrance of Father, Mr. Jarus Bailey, who passed away nine years ago today.

The stars are again shining
Upon a silent grave,
In it lies a loved one
I loved but could not save.
You bade no one goodbye,
You said goodbye to all,
The heavenly gates swung open
And a loving voice did call.
God saw the road was lonely
The hills too hard to climb
So he gently called me home
Home,
And whispered peace be thine.
Your memory is a keepsake
With which we will not part
Though God has you in his keeping
I still have you in my heart.

Local Ladies Made Tour to The Southwest

Above: Mrs. Lewis S. McCormick, Jr. and Mrs. James T. Williamson have returned to Appomattox after making a tour to Texas and the Southwest. They left from Lynchburg by bus on Oct .27, en route to Orange, Texas, to visit Mrs. McCormick's son, Edward, BM2, and family. While at Orange, they toured the Golden Triangle, which consists of three Gulf Port cities: Orange, Port Arthur and Beaumont. They also crossed the South's highest bridge between Orange and Port Arthur. They toured the U. S. Naval Base and Texas Reserve Fleet, which consists of a "moth-ball" fleet. Their entire trip took them some 2,400 miles, and included the following states: Va., Tenn., Miss., La., Texas, Ala., Ga., S. C., N. C.

Getting Ready For Christmas Seal Sale

Preparing for Seal Sale, Among many volunteers who have cooperated with Southside Tuberculosis Association in its preliminary preparations for the Christmas Seal Sale is Mrs. Matthew Lyle, of Keysville, and her five grandchildren, Betty and Mary Martin, daughters of Mr. and Mrs. John Lyle; George, Kitty and Berry, whose parents are Mr. and Mrs. W. B. Lyle. Mrs. Lyle was the Association's first president and has been a volunteer worker for 30 years.

Local Duroc Breeder Has Certified Meat Sire

George Shirey, Appomattox Duroc breeder, has been notified that his sire has qualified as a certified meat sire. This is the second boar in the Duroc herd so designated in Virginia. There are only 57 CMS boars in the United States.

Certification is a program designed to produced offspring with lean meat qualities.

A certified boar is one which has sired 5 litters that qualify as certified litters. Litters must be out of five different sows, not more than two of which are full sisters or dam and daughter combination. Litter must also qualify for production registry.

A certified litter is so designated when two animals from it are slaughtered at 180 days of age, weight between 180 and 230 pounds. The carcass is then measured at three points — length, backfat thickness and loin eye.

Production Registry ties in productiveness, rate of gain, milking ability of sow and trueness to type. Eight pigs must be weaned, showing no disqualification on pigs or sow. Minimum weights at 56 days of age if they are from a sow, 320 pounds; from a gilt, 275 pounds. The five qualifying litters averaged: length, 29.40; backfat, 1.52; loin eye, 4.49 square inches.

This is the second outstanding achievement in the Shirey Herd. In 1940, he had the first P. R. boar in the Duroc Breed.

High quality breeding stock actually costs but a little more. This is demonstrated in the Shirey Herd when one considered that this boar cost only $85.00 at 7 months of age.

Farm Shop Class Opened Here

Mr. Henry B. Pack, Vocational Agriculture Instructor at the Appomattox High School announced that the farm shop class is now open. The class is open every Tuesday and Thursday nights from 6:30 to 10:00 P .M. Meetings are held in the Vocational Agriculture Shop at Appomattox High School. The class will be under the direction of Mr. Vern Torrence and Mr. R. N. Ashworth.

The shop will be open now non until next May except that it will be closed from the 17th of December to the 7th of January. Attention is called to the fact that the early part of the class during December and January will have plenty of time and that during the latter months of the class the shop is very crowded. It is suggested that as many as can make use of the shop the first two months.

Members are expected to pay for the materials used in the shop. Also each member is charged an enrollment fee of $1.50 for the year. The primary purpose of this class is to help farmers learn to repair and maintain their farm equipment.

APPOMATTOX FARM STATISTICS TO BE VALUED AFTER NEW CENSUS

The 1959 Census of Agriculture, now under way in Appomattox County, will bring up to date farm statistics last collected in 1954, when the farm census revealed the following facts:

Value of products sold in 1954 by farm operators was $2,014,086.

The value of all crops sold was $1,009,965, and included $999,617 for field crops, $1,746 for vegetables and $8,372 for fruits and nuts, and $200 for horticultural specialties.

The value of all livestock and of livestock products sold was $970,775 and included $377,194 for dairy products, $350,065 for poultry and poultry products, and $243,516 for livestock and livestock products.

The value of forest products sold from the county's farms in 1954 was $65,340.

Town Managers Stolen Auto Is Recovered

Appomattox Town Manager C. J. Hunter has his private car back, thanks to an assist from a young Negro youth near Elizabeth City, N. C. On Nov. 1, Mr. Hunter's car was parked, as usual in front of his residence, on Route 460, in the Town of Appomattox. During the night someone came along and "borrowed" the 1956 Model Ford. The theft was reported to State Police on the morning of Nov. 2, but no trace of the missing vehicle was found. It seemed to be a "dead-end" search. But last Friday morning, Nov. 6, a Negro youth spotted a car about seven miles south of Elizabeth City, N. C. It was across a field and into a wooded area. The boy promptly reported the find to local police there, and a check on cars reported missing was made. The car was identified as that of the Appomattox Town Manager. Mr. Hunter went down Sunday morning, and identified, and brought his car home. No particular damage had been done. Less than one gallon of gas was in the car and he said there there was evidence that more than one person had occupied the vehicle. However, the trail is cold as who got the Appomattox Town Manager's car, and abandoned it in the woods south of Elizabeth City, N. C. Hero of the incident, was the Negro youth who spotted the car and reported it to police.

LOCAL RED CROSS NEEDS SUPPORT; CASH AND DONORS

William H. Hunter, chairman of the Appomattox County Chapter of the American Red Cross announced today that $238.50 has been raised in the Red Cross emergency drive and 17 donors of blood.

The County Chapter must raise $1,000.00 between now and December 1st, to keep the chapter operating in Appomattox County.

On November 20, at the Liberty Baptist Church, the Bloodmobile will be here in Appomattox and the county quota of 120 pints of blood must be met to continue the blood bank in Appomattox County. Only 16 donors have signed up to date.

Contributions can be sent to either of the local banks, and Blood Donors may sign to contribute blood at either bank. Mr. Hunter urges that this emergency be met by the people of Appomattox County, as it will be a great hardship both financially and in service that the Red Cross Chapter gives to the people of the county if the program fails.

FARM CENSUS ENUMERATORS FOR APPOMATTOX LISTED

The enumerators for the Census of Agriculture have been selected for Appomattox County. They are as follows:

Stonewall District
Mr. W. E. Bondurant, Jr., Mrs. Lucille C. Lewis.

Southside District
Mrs. Audrey W. Phelps, Mr. A. Randolph Hite.

Clover Hill District
Mr. William E. Inge, Mrs. Margaret S. O'Brien.

A training class for these enumerators began on Wednesday, Nov. 11. It will continue through Thursday and Friday of this week. It is being held in the library auditorium of Longwood College, in Farmville. The census takers will be ready to begin their work about Nov. 16.

People who have received farm questionnaires from the U. S. Bureau of Census are urged to fill them as completely as possible. It is the work of the enumerator to check and to complete the forms and to give assistance when needed.

The census takers have taken an oath to keep all information confidential. The law forbids the use of such data for taxation or investigation.

U. D. C. MEETS THURSDAY

A. H. S. Nears End of Football Season For '59

A. H. S. won a league football game over Gretna H. S. yesterday in a game postponed from Oct. 23. The score: Appomattox 13, Gretna 0. John Canada made both of the A. H. S. touchdowns, Gretna was held to only two first downs.

The Appomattox High School football team will end its 1959 schedule this week, playing Gretna H. S. in a postponed game Wednesday night, and meeting the Madison Heights High School, at the Orange High School field on Saturday, at 8:00 P. M., Nov. 14.

The Rebels hope to win both of these games, to end the season at 6 wins and 3 loses and a tie. This year's team has been very light in weight in that the whole team averages around 153 pounds, and the average is 16 years old. It is the lighest team A. H. S. has had in a number of years, and also the youngest. However, the boys have played good ball against better and bigger teams, and with two wins can be proud of their 1959 record. The following boys who are seniors will be playing their last games of football for Appomattox: Randy Almond, Dickie Chandler, Brod Pack, Jimmy Mayberry, L. N. Garrette, Brian Thomas, Percy Lacado, and Bill Caldwell. These boys have all played good ball, and will be missed next season.

Luncheon Meeting Of D. A. R.

Appomattox Chapter, D. A. R. will have a luncheon meeting Monday, Nov. 16, at 12:15, at Maud's Restaurant. Mrs. Frederick T. Morse, State Regent, of Charlottesville, will be the guest speaker. Members of the two chapters, Judith Randolph and Slate Hill, of Farmville, have been invited to attend this meeting.

Open House At Oakville School

On Tuesday, Nov. 17, at 7:30 P. M., there will be an Open House for parents and friends at the Oakville school following a panel discussion on the question, "Is Today's School Curriculum Designed to Prepare Tomorrow's Citizens?" Mr. Harry Dewey will be moderator of the panel discussion. The main topics will be centered around:

Home—Mrs. Basil Lucado, Mrs. H. H. Moore, Jr., Mrs. Curry Harvey.
Elementary School—Mrs. Earl Smith.
High School— Mr. Daneel leRoux.
Community— Mr. Otho Martin, Jr.

There will be no price support on "Wet" Virginia fire-cured tobacco this year, the U. S. Department of Agriculture has just announced.

The decision came as a result of a meeting of representatives of the warehousemen, buyers, grower associations, the Extension Service, and others with the U. S. Department of Agriculture officials. The same group endorsed a plan to inform growers of the situation which they face today in competition with the Kentucky - Tennessee types of fire-cured tobacco.

The Department's decision is intended to encourage growers to market Virginia fire-cured tobacco Type 21, with less moisture content than has been customary. The reason behind the move is that Virginia growers are faced with the possibility of losing their markets to the competing types of fire-cured tobacco, Types 22 and 23, produced in Kentucky and Tennessee.

The Virginia Type 21 for years has been brought to market with high moisture content, averaging perhaps 35 per cent of total weight. In redrying and packing, some of this moisture is lost, possibly 40 per cent or more of the moisture content. Then the fact remains that in recent years the dried and packed weight of Virginia's Type 21 tobacco is only about 79 pounds for each one hundred pounds purchased. On the other hand, buyers can get about 92 pounds on a dried and packed basis from each one hundred pounds of the competing types 22 and 23.

With the dark-fired tobacco markets in Virginia opening on November 30, the U .S. Department of Agriculture, Extension Service, Warehousemen, grower associations, and others are strongly urging Virginia growers to be alert to the situation facing them. "Wet" tobacco is not wanted and will not be eligible for price support.

HARVEST FESTIVAL PLANNED HERE

Members of the Appomattox High School Parent - Teachers' Association are planning to hold a Harvest Festival on Friday, Nov. 20, at the high school. Plans are in the making for an evening of food, fun and frolic, to entertain the whole family. Ham or turkey suppers will be served beginning at 5:30 in the school cafeteria. Chairmen will take on the appearance of game rooms, country store, fun room, side show, movie theater, and other attractions to amuse and entertain everyone.

Miss Julia Asher and Mrs. Melvin Drinkard are general co-chairmen for the big event. Following are the committees and chairmen appointed for the various activities.

Pitching games: Den Martin; accordeon, C. T. Moses, Jr.; guessing jars, O. G. Rush; men's beauty contest, Mrs .Leonard Anderson, Mrs. Henry Herzer, co-chairmen; movies, John R. Hudson; supper, Mrs. Robert Wilson; cake walk, Mrs. W. M. Abbitt; fish pond, Mrs. R .K. Martin; country store, W .L. Motley, Mrs. Charles R. Thomas, co-chairmen; balloons, Mrs. Mitchell Lewis; fun room, Ray Ferguson; side show, Miss Faye Wood

Along with the plate dinner which will be served, hot dogs, hamburgers and drinks will be available.

The climax of the evening will be the master beauty contest, at which time the male population of the county will compete for the honor of being named the most beautiful.

Anyone having articles which may be dyed, or food, which they would like to donate for this worthy cause are asked to contact the chairman of the respective committee.

Everyone is invited to come out and have a big time.

Evergreen 4-H Club

The Evergreen 4-H Club held its monthly meeting Nov. 9, with a good attendance. The meeting was called to order by the president, Jolette Paulette. Emilia Bruce led the devotion. There was a discussion on record books and on projects for the year. Patsy Seay and Jostie Paulette gave demonstrations. Afterwards there were games and songs.
